## STALLERGENES GREER'S 2017 INNOVATION DAY

**London (United Kingdom) – 25 October 2017** – Stallergenes Greer plc, a biopharmaceutical company specializing in treatments for respiratory allergies, will today host an Innovation Day for analysts and investors from 10:00am BST to 12.15pm BST at its headquarters, 40 Bernard Street, Bloomsbury, London WC1N 1LE.

The event will include presentations, providing a more detailed understanding of Stallergenes Greer's strategy and innovation, followed by a question and answer session. The company will notably present real-world evidence data about ORALAIR® and its strategic investment in Adeo Health Science, announced today.

The company will host a live webcast on Stallergenes Greer's website available in the investor section at [www.stallergenesgreer.com](http://www.stallergenesgreer.com) ([http://edge.media-server.com/m6/go/STAGR\\_ID2017](http://edge.media-server.com/m6/go/STAGR_ID2017)). Those attending via webcast will have the opportunity to submit questions, via the webcast tool, following the presentations.

Relevant documents and materials related to the Innovation Day will be available from the company website shortly after the event has concluded.

*This document (including information incorporated by reference in this document), oral statements made and other information published by the Company contain statements that are or may be forward-looking with respect to the financial condition and/or results of operations and businesses of the Company. These statements can be identified by the use of forward-looking terminology such as "believe," "expects," "project," "estimated," "forecast," "should," "plan," "may" or the negative of any of these, or other variations thereof, or comparable terminology indicating expectations or beliefs concerning future events. These forward-looking statements include risk and uncertainty because they relate to events and depend on circumstances that will occur in the future. Without being exhaustive, such factors include economic situations and business conditions, including legal and product evaluation issues, fluctuations in currencies and demand, and changes in competitive factors. These and other factors are more fully described in the Company's 2016 annual report published on 28 April 2017 on the Company's website [www.stallergenesgreer.com](http://www.stallergenesgreer.com). Actual results may differ from those set forth in the forward-looking statements, due to various factors. Save as required by applicable law, neither the Company nor any other person assumes any obligation to update these forward-looking statements or to notify any person of any such update.*
